

Roll and Cover

Purpose: Practising addition facts to 12

Players: Two or two pairs

Materials: Two 1 – 6 dice, two games boards, counters

How to Play:

- Students take turns rolling the dice and covering a single space on their own games board that is equivalent to the sum of the numbers rolled.
- If no space with that sum is available the student misses a turn.
- The winner is the first person to cover an entire row vertically or horizontally.
