

# Salute - 10 more or less.

- You need 3 players.
- A pack of playing cards. (Take out all the colour cards and 10s)

Two players collect two cards each and without looking at the cards put them on their forehead.

The third player decides whether they call out 10 more or 10 less.

The two players then call out 10 more or 10 less by looking at the other player's cards.

The player who calls out first wins those cards. Continue playing till the cards are over.
